

Directions

From Inverness City Centre

Look out for signs to Dores and Foyers (B862) - NB Not A862 - and ensure that you are on the south side of the river. Once on the B862 you are heading out of town towards Dores.

Continue along this road for about 4 miles to Scaniport.

Exactly 1 mile beyond the Scaniport sign you will see our white painted sign on the right.

Turn right in here. Follow road for about ½ mile then left at the fork (marked B&B).

Once through the gate keep to the right and on up to house.

Avoiding Inverness city Centre

Approaching Inverness on the A9 (from the south) you travel down a long hill with the city in plain view. Towards the bottom of the hill (immediately after flyover) turn left at the sign Hilton & Culduthel.

At the roundabout take 3rd exit signed Hilton & Culduthel (B8082).

Continue straight along this bypass road and go directly over all roundabouts.

At the Holm roundabout turn left onto the B.862 towards Dores.

Continue along this road (B862) for about 2 miles to Scaniport. Then as above.
